

# GROUP 6

# CHALLENGES

## Representation

- ▶ Lack of proper dissemination of information
- ▶ Ignorance and lack of knowledge regarding gender balance
- ▶ Attitudes and cultural socialization

# Capacity

- ▶ Outreach of capacity building trainings to the grass roots and county level
- ▶ Inadequate expertise
- ▶ Financial constraints
- ▶ Lack of good will by the leaders to capacity build

# OPPORTUNITIES

- ▶ Implementation of the constitution 1/3 rule affirmative action
- ▶ Forming partnerships with organizations that can fund capacity building trainings
- ▶ Ensuring policies are gender sensitive and actually implemented
- ▶ Coaching and mentoring to build capacity

# UNFCCC

- ▶ UNFCCC needs to intensify the lobbying of government and involve stakeholders
- ▶ UNFCCC needs to create adequate form of communication to disseminate information and decisions to stakeholders

# COUNTY

- ▶ Provide gender education to create awareness
- ▶ Collection of gender disaggregated data for lobbying
- ▶ Involving the grass root members in the formulation of gender decisions

# Question 3

- ▶ Local leaders to capture indigenous knowledge
- ▶ The youth to enhance mentorship
- ▶ People with disabilities
